Inventories

OF PRIVATE RESIDENCES

are a necessity in the adjusting of LOSSES by FIRE or BURGLARY and in the SETTLING OF ESTATES. They should be made by people expert in the art and bound in duplicate, one to be kept in the house for ready reference and the other put in a safe place together with the Insurance Policies.

Twenty-nine years ago I originated the system of Inventorying the contents of Private Residences, which has since become so popular and well known throughout the country, and which I have since perfected to a high degree.

It affords the owner ABSOLUTE PROTECTION, as over Five Thousand Patrons in the principal Cities and Summer Colonies of the United States will testify.

Estimates furnished free of charge and satisfactory work guaranteed. Send for my Illustrated Booklet which contains the names of many of your friends and neighbors.

PUBLIC TAXICAB FARES IN BOSTON

Motor Taxicabs—The maximum prices or rates of fare which drivers of hackney carriages propelled by mechanical motors and using taximeters as the means of measuring the distance traveled, to be known as "Motor Taxicabs" may charge and demand for services rendered in conveying passengers as follows:

From point to point within the city limits:

First half mile or fraction thereof, for one person	40c
Each quarter mile thereafter	10c
Each additional person for the whole journey	20c

Waiting time shall include all time during which the vehicle is not in motion, beginning nine minutes after its arrival at the place to which it has been called, or, if engaged in the street or at a stand, beginning nine minutes after the time of such engagement. A charge of 10 cents for each three minutes may be made. But no charge shall be made for time lost through interruption of street traffic or through the inefficiency of the vehicle or its driver, or for time between premature arrival in response to a call and the hour for which the vehicle was ordered.

No charge shall be made for a distance less than one mile traversed by a vehicle sent in response to a call, but for a greater distance a charge of 20 cents a mile may be made for each mile or fraction of a mile in excess of the first mile.

When a vehicle is dismissed at a point more than two miles distant from the place at which it was engaged, or from the place in which it was when called, a charge of 20 cents a mile may be made for each mile or fraction of a mile in excess of such two miles.

Baggage—Hand baggage may be carried by passengers without charge. The carriage of trunks shall be optional with the person in charge of the vehicle, but if carried the charge shall be 25 cents for each trunk.

Ferry tolls will be paid by passengers.

By the Hour—When a motor taxicab is hired by the hour or for a trip wholly or in part outside the limits of the city of Boston, the person in charge may suspend, with the consent of the passenger, the use of the taximeter as a means of determining the price to be paid, and the motor taxicab shall come temporarily under the provisions of that part of this rule which relate to charges for automobiles.

Automobiles—The authorized fare for automobiles other than motor taxicabs shall be for one passenger from one point to another within the city proper, 50 cents. For one passenger from one point to another within Charlestown, within East Boston, within South Boston, within Roxbury, 50 cents. Each additional passenger, 50 cents. For distances beyond certain limits the rates are \$1.00 and upwards. This rule shall not be deemed to apply, however, to automobiles when hired by the hour or for a trip wholly or in part outside the limits of the City of Boston. This rule shall apply to automobiles hired at a garage as well as to those hired in the public streets. The rule as to baggage for motor taxicabs shall apply also to automobiles.

Special Charges—From twelve at night to six in the morning fare is 50 cents above the preceding rates for each passenger.

Children under five years, with an adult, no charge.

Children between five and twelve years old, with an adult, half-price.

For a complete statement of the rates for public carriages the inquirer is referred to the condensed schedule in the Boston Directory

549 Post Office Building, Boston.

STORM WARNINGS—A red flag with a black centre indicates that a storm of marked violence is expected.

The pennant displayed with the flags indicates the direction of the wind; red, easterly (from northeast to south); white, westerly (from southwest to north).

The pennant above the flag indicates that the wind is expected to blow from northerly quadrants; below, from southerly quadrants.

By night a red light indicates easterly winds, and a white light below a red light, westerly winds.

HURRICANE WARNING—Consists of two red flags with black centres, displayed one above the other. It is used to announce the expected approach of tropical hurricanes, and also of those extremely severe and dangerous storms which occasionally move across the great lakes and the Northern Atlantic Coast. The flags are the same as the one now used for the distinctive signal, the pennants being omitted.

SMALL CRAFT WARNING—A red pennant indicates that moderately strong winds are expected. No night, small craft or hurricane warnings are displayed.
